Chloe Dao Fashion Show at Hotel ZaZa

houston events recapped

More than 800 partygoers gathered poolside at the opulent Hotel ZaZa for cocktails and the latest fashions by Houston native **Chloe Dao**. The *Project Runway* alum showcased her sophisticated yet sexy Decadence collection. Fuchsia, char- treuse, and lagoon brightened up the classic neutrals, which included this season's staple: satin stretch skinny pants. Dao paired these with gorgeous bustiers, tiered chiffon one-shoulder tops, and even open-back sequinned tops. The sensual night continued with the Phantom House Party. The Phantom Ballroom was transformed into an exclusive lounge with guest performer, the Global Café, which incorporates the passionate street and club sounds of international hot spots such as Ibiza and St. Tropez to create a festive ambience. The crowd enjoyed a range of specialty shots and noshed on mini burgers and hot dogs. Guests included Robert Sakowitz, Claudia Solis, Shea Guinn, Edward Sanchez, Amanda Mills, Katherine Orellana, Holly Clapham-Rosenow, Heather Houston, Yolanda Williamson, Kara Williams, Jeff Gremillion, Adam Gibson, and Erwin Creed.
